Experience the pinnacle of urban living in this completely renovated luxury penthouse condo, boasting unobstructed southwest and northeast views from two expansive wrap-around balconies. This exquisite residence includes two titled underground parking stalls, central air conditioning that ensures year-round comfort and offers a plethora of high-end finishes and customizations. This unit features three generously-sized bedrooms and a fully enclosed den with elegant 10-millimeter glass walls. The wide hallways enhance the open and inviting atmosphere, perfect for entertaining. The dining area is adorned with bespoke cabinetry and built-in wine storage, ideal for intimate dinners and gatherings. Culinary enthusiasts will appreciate the state-of-the-art kitchen, equipped with Miele and Thermador appliances, an induction cooktop, dual Faber hood fans, and a massive island with quartz countertops. The kitchen also features a clear glass backsplash and under-cabinet lighting for a sleek, modern look. Custom built-ins and a uniquely covered pillar create a focal point in the living area, complemented by an integrated sound system and remote-controlled blinds. Thousands of dollars have been invested in extensive millwork throughout the condo, including commercial-grade engineered Mirage hardwood flooring. The primary bathroom is a sanctuary with a glass tile shower, rain shower head, water closet, heated floors, and a gas fireplace for added comfort and luxury. Two additional well-sized bedrooms share a stylish 4-piece bathroom. This penthouse condo is a testament to refined taste and sophisticated living, offering unparalleled comfort, style, and functionality. It is truly a one-of-a-kind residence that promises an extraordinary lifestyle.
