This excellent condition half duplex is located in Westgate across from a playground & pond. The main floor consists of the living room, kitchen, dining & half bath. Access to the fenced yard and garage is off the dining area. Upstairs you will find two good sized bedrooms and a full bathroom. The laundry is located in the basement. The basement is ready for development with the bathroom plumbing roughed in. This property would be excellent addition for an Investor who wants to maintain the current Tenant or for a first time buyer. Note: home builder sq ft is 960 sq ft but based on RMS for a duplex it has to be recorded at 865 sq ft
